Next 2 Years Planning (FY 2025-26 & FY 2026-27)

Enhanced Scholarship Support

- Increase annual student beneficiaries for tuition, books, and living expenses
- Launch large-scale mentorship and academic support programs
- Mobilize alumni networks to contribute to scholarships at their alma mater
- With FCRA registration, explore international donor partnerships to support Indian students

Strengthening Outreach & Awareness

- Organize state-wise awareness drives in marginalized communities
- Conduct regular workshops on career planning, financial literacy, and growth mindset
- Collaborate with local government bodies and panchayats

Sustainability & Local Partnerships

- Expand the **Kind Circle** Initiative to empower individuals and HNIs to create scholarships
- Forge long-term funding relationships with local donors and NGOs
- Create a central repository for community-driven scholarship opportunities

Tech-Enabled Education Ecosystem

- Enhance the Buddy4Study platform with user-friendly features for students and donors
- Implement AI-based matching engines for scholarships, mentors, and career advice
- Introduce real-time dashboards for donor impact tracking and transparency
- Use analytics to improve scholarship targeting, beneficiary selection, and policy advocacy

Buddy4Study India Foundation remains committed to enabling the dreams of underprivileged youth by removing financial barriers to education. With your approval for FCRA certification, we aim to scale our impact by inviting global donors into this circle of change.

Yours sincerely,
